

## **HELLO UTAH CLUBS,**

We hope this letter finds you having a happy, safe and productive fall season of competition and / or training. The national, regional and state committees have been very busy over recent months. Many changes are on the horizon - some of which we are starting to implement at this time. We are working hard to communicate these changes and to make ourselves available for questions, feedback and suggestions. Be sure to thoroughly go through this letter and contact your club rep or the State Chair with any questions you might have. We will be posting additional updates as they become available, so we ask that you refer to the state website ([usagutah.com](http://usagutah.com)) often.

In order to offset administrative costs associated with keeping the website maintained and to ensure you have full access to information and advertising space to promote your club's activities, the committee has elected to charge a state member club fee payable once a year.

The cost per club will be 50.00. That fee will cover the following benefits:

1. Member Clubs will have their club logo and links to their personal websites placed by their club listing.
2. Member Clubs will be able to post one meet, clinic or camp advertisement free of charge on the website per year.
3. Member clubs will receive a discounted rate on any state sponsored clinic or camp.
4. Member clubs will receive a discounted rate on any USAG Utah fundraiser meet entry fee.
5. Member Clubs will receive a hard copy of the State Handbook updated with the latest State Rules and Policies every fall.

All additional advertising space for employment, selling of equipment, camps, clinics or meet advertisements will be 20.00 a post to list for 3 months on our classifieds page.

We will continue to advertise all State Functions, update technical information as supplied by the National office, post results from our State Meets, and keep you informed of JO, XCEL, Tops and Elite information.

Please send your check payable to USAG UTAH by November 1, 2011 to:

Cathy Bennion SACC  
9164 Nichole Dr.  
Sandy, Utah 84093

Thank you all for your support and feedback. We are here to represent each and every one of you and make proactive decisions that will enhance the quality of gymnastics in our state, region and nationwide.

Sincerely,  
The USAG UTAH Committee,  
Charity Christensen  
Heather Fullmer  
Heather Carmody  
Heidi Merrin  
Jodi Merrell  
Courtney Marsh
